SPONSORSHIP 6th Annual Mid-South Pride Festival 2010

Dear Friends,

On behalf of the Board of Directors, the 2010 Mid-South Pride Festival Committee, and our dedicated volunteers, we would like to take this opportunity to officially invite you or your company to participate as a sponsor of the **2010 Mid-South Pride Festival**. This year's festival and parade will be held on **Saturday, October 16th** in **Peabody Park**.

The Pride Festival is the single largest LGBT gathering in the Mid-South, and it gives us all the chance to express who we are to each other and to everyone in the Mid-South. Our goal is to promote self-esteem and pride in members of the LGBT community on a personal level as well as foster understanding and acceptance in the community as a whole. Last year's event hosted such esteemed speakers as Shelby County Commissioner **Steve Mullroy**, State Legislator **Beverly Marrero**, City Councilman **Myron Lowery**, **Congressman Steve Cohen** and others. These local supporters of LGBT equality know what we all know: that LGBT people are a diverse group of humans with power, resources, and dignity, and a group whom it is unjust to ignore.

In just six years, we have grown Mid-South Pride attendance from less than 500 people to well over 3,000. The Festival is the second largest Pride festival in the state of Tennessee, and the **only** Pride festival in the Mid-South region, which covers Eastern Arkansas, Northern Mississippi, Western Tennessee, and the Missouri Bootheel. Through sponsorship, you or your company aid us in all charitable activities that support LGBT equality in the Mid-South region and its communities. The 2010 Pride Festival benefits your company by enhancing quality of life for your employees and their families, while giving your company the opportunity to reach an exclusive, influential and thoughtful consumer base. Consider the following marketing statistics from the Human Rights Campaign:

- ▼ 88% of LGBT adults and 70% of non-LGBT adults are likely to consider a brand that supports employment equality
- ▼ 58% of LGBT adults are more likely to purchase products and services from companies that market directly to them
- ▼ 62% of non-LGBT adults disregard direct LGBT marketing in their purchasing decisions — losing customers through sponsorship is not likely
- ▼ The total buying power of LGBT adults was projected at \$712 billion in 2008, and is expected to **exceed \$835 billion by 2011**

The most important goal of Mid-South Pride, and the one that has most aided our success, has been our unwavering desire for inclusion; we encourage support and participation regardless of race, sex, gender identification, sexual orientation, religion, ethnicity, age, or disability. Our festival is a fun-filled, family event, we are free and open to the public, and we welcome **all** family members. Mid-South Pride is dedicated to promoting diversity and acceptance both inside and outside of the LGBT community. After all, no matter our differences, we must all work together to accomplish our shared dreams.

The **2010 Mid-South Pride Festival** is made possible by the interest, consideration, and support of responsible corporate citizens and individuals like you. Charitable contributions, alongside MSP's fundraising events, are what allow us to provide the Mid-South with an inclusive and diverse celebration. There are many ways you can get involved to help promote equality: you can volunteer, you can donate, or you can become a supportive sponsor at whatever level you wish by completing the following form. Mid-South Pride is a registered non-profit organization with the state of Tennessee and all sponsorship opportunities are tax-deductible charitable contributions as allowed by law.

Please, consider sponsorship and stand with us in Unity, Diversity, and Equality. Home is where you make it.

Thank you for your kindness and support,

The Board of Directors of Mid-South Pride, Inc.
